GRAN HOTEL KEMPINSKI

French windows and high ceilings give the sense of an old-style European Luxury hotel. Plus the artwork and photographs of contemporary Cuban artists that decorate the walls, the Gran Hotel Kempinski is a five star luxury accommodation at La Havana that is a popular spot for fashionable locals and great place for tourists, without a doubt one of the finest hotels to stay while visiting Cuba.

PASEO 206 BOUTIQUE HOTEL

Located in the cultural and economic heart of La Havana, this hotel is a romantic hidden jewel, which used to be a family home back in 1933. Paseo 206 offers an elegant, chic and romantic atmosphere and still preserves the original architectural structure. If you want to enjoy luxury and elegance in every inch of your stay, this hotel should be your pick.
